

# Container GN 1/1

806104

Extra strong due to reinforced corners. Gastronorm size is engraved. Smooth edges, easy to clean. Can be used in convection ovens, refrigerators, bain-marie systems and chafing dishes.

## Specifications

|                           |                                              |
|---------------------------|----------------------------------------------|
| Suitable for              | : Food Contact, Oven, Dishwasher, Bain-Marie |
| Temp resistance from (°C) | : -40°C                                      |
| Temp resistance to (°C)   | : 300°C                                      |
| Nestable                  | : Yes                                        |
| Materials                 | : Stainless steel                            |
| Packed per                | : 1                                          |
| Packaging type            | : Sticker                                    |
| Length (mm)               | : 530                                        |
| Width (mm)                | : 325                                        |
| Height (mm)               | : 20                                         |
| Thickness (mm)            | : 0.6                                        |
| GN size                   | : GN 1/1                                     |
| Maximum volume (L)        | : 2.5                                        |
| Usable volume (L)         | : 2.5                                        |
| Measurements              | : (H)20                                      |

## Transport specifications

|                            |                 |
