- Suitable for Napoli Pans (not included)
- LED interior light with switch
- Digital controller and temperature display
- Easy access storage compartment
- Rear night curtain to maintain temperature
- Ventilated cooling
- Automatic defrost

Ventilated 13 scoop ice cream display with under-storag

The Bermuda RV13 ice cream scooping cabinet accommodates 13 Napoli pans. Its ventilated cooling system ensures that your gelato or ice cream is maintained at the perfect serving temperature. In addition, the cabinet is equipped with a separate refrigerated under storage, which enables fast restocking of the display without leaving the unit. The Bermuda model has a sleek curved glass feature that is both practical and elegant and the front glass is heated to help prevent condensation. This unit is equipped with castors for easy mobility and an internal LED light that beautifully illuminates your products. With its exceptional blend of quality and affordability, the Bermuda range has become a popular choice among ice cream and gelato vendors.
