

Griddle, flat

154977

Housing made of stainless steel. Fitted with backsplashes. Comes with a removable fat collection drawer. Temperature stepless adjustable up to 300°C. Overheating protection by means of a resettable thermal cutout. Fitted with non-slip feet.

Serving perfectly cooked foods, from juicy steaks to fluffy pancakes, requires equipment that guarantees precision and reliability. The smooth HENDI SMART grill plate is designed to meet the high demands of professional catering, providing excellent temperature control and even heat distribution. Thanks to the powerful heater, the device heats up instantly, and the solid stainless steel construction is a guarantee of durability and ease of hygiene. It's a versatile tool that will open up new culinary possibilities for you. Improve the quality of your grilled dishes and optimize your work in the kitchen. Choose the HENDI SMART grill plate and enjoy perfect results every day!
