

Griddle, half flat, half ribbed

154991

Housing made of stainless steel. Fitted with backsplashes. Comes with a removable fat collection drawer. Temperature stepless adjustable up to 300°C. Overheating protection by means of a resettable thermal cutout. Fitted with non-slip feet.

Imagine one device that allows you to fry tender eggs and grill steaks with appetizing strips at the same time, each at its ideal temperature. The HENDI SMART grill plate, half smooth and half ribbed, is the answer to the needs of modern gastronomy, where versatility, efficiency and space saving are important. Thanks to two independent heating zones and powerful power, the device is ready for intensive work in all conditions, giving you full control over the grilling process. It's a complete position that will revolutionize your kitchen experience. Maximize the capabilities of your menu and optimize your workspace. Invest in a HENDI SMART grill plate and discover a new dimension of flexibility in professional grilling!
