

Juicer, 8 L UNIQ

425053

Housing made of durable ABS. Magnetic drip tray with colour-matched housing, easy to clean, with a perforated stainless steel insert. Removable stainless steel cooling rod for ice helps keep beverages cold. Quick assembly and disassembly ensure ease of hygiene maintenance. Beverage container designed to minimize residue at the bottom. Convenient carrying handles for easy transport of the dispenser. Colourful base made of polypropylene. Label holder for drink identification. Drip-free tap positioned 130 mm above the base. Easy beverage dispensing. Transparent body allows for easy monitoring of liquid level. Offered in two capacities – 4 and 8 litres. Available in three colours that match other elements of the UNIQ collection: black, white, and yellow. Modern design by Robert Bronwasser. Timeless colour palette, perfectly complements the presentation of cold beverages on a buffet. The HENDI Juicer is part of the award-winning UNIQ collection from the Buffet Reinvented line.
