

## UFFS371G

### Display Freezer

#### Product Features

- Great product presentation
- Heated glass door
- Fixed freezing shelves
- LED interior light with switch
- Digital temperature display
- Defrost water drain
- Lock

### Display freezer with a heated glass door

Great product presentation at a competitive price – that is what you get with this display freezer. It has a heated glass door to prevent condensation and internal LED lighting to highlight your frozen goods. The cooling system is static with 6 fixed freezing shelves with built-in evaporator coils to ensure an even temperature throughout the cabinet. The upright freezer comes with a defrost water drain for easy maintenance.
