

TM33

Minibar Cooler

Product Features

- Absorption operated cooling system
- Flat integrated evaporator
- Silent operation
- Low energy consumption
- Reversible solid door
- Adjustable shelves, also in door
- LED interior light
- Lock

Silent minibar for hotels

With the TM minibar, your guests can always get a good night's sleep. It has a silent running absorption cooling system classified as 0 dB(A), meaning no disturbance. The minibar has an elegant design with a black exterior and an anthracite interior, which gives that high-end feel. It has internal LED lighting, which turns on when the door is opened. The cabinet can be fully integrated into the existing décor with a build-in bracket and hinge fixation kit, which allows a joint opening of the cupboard- and minibar door (available as accessory). A hinge fixation kit also secures the stability of the cooler and prevents it from tipping and sliding forward.

Measures and Content		
Temperature Range	°C	0 to +10
Gross / Net Weight	kg	17 / 12
Gross / Net Volume	l	28 / 26
Design and Material		
Door No & Type	1 hinged glass door	
Door Reversible		Yes
Shelves No & Type	1 wire shelves black	
Feet / Legs	4 adjustable feet	
Exterior Finish	Black	
Interior Finish	ABS, RAL7005	
Interior Light	LED	
Lock		Yes
Cooling and Functions		
Type of Controller	Electronic	
Type of Cooling	Static	
Type of Defrost	Automatic
