Refrigerated Display Counter ideal as a serve over count

The NDC CF series is a new addition to our refrigerated display counters with flat glass top. They also come with curved glass top called NDC CC. The cabinets offer great value for money and is ideal as a serve over counter in convenience stores, delis, bakeries and other places that wish to store and display food. There's great visibility as well as easy access to the food products with rear glass door (s). The sides are mounted with double glazed glass. A cool feature for this cooler is that the front glass hinges forward if required. That comes very handy when cleaning the cabinet.

Bright modern LED interior light for perfect illumination and with the adjustable shelves that has a tilting function, you can easily fit and display the desired products. An effective cooling system with ventilated cooling keeps the products cooled in all situations.
