

UFSC371G Black

Black Display Freezer

Product Features

- Black interior and exterior
- Heated glass to help prevent condensation
- LED interior light with switch
- Digital temperature display
- Fixed freezing shelves
- Lock
- Adjustable feet
- Defrost water drain

Black display freezer with a heated glass door

Great product presentation at a competitive price – that is what you get with this display freezer. It has a heated glass door to prevent condensation and internal LED lighting to highlight your frozen goods. The cooling system is static with 6 fixed freezing shelves with built-in evaporator coils to ensure an even temperature throughout the cabinet. The upright freezer comes with a defrost water drain for easy maintenance.
