HUMBLE ARMCHAIR

CONTEMPORARY COLLECTION

Design Pierre Sindre 2020

HUMBLE is an oversized and generous armchair based upon the bent wood tradition and skills at Gemla.
It is designed as a comfortable armchair of highest possible comfort and quality. Solid ash where the visible steam bent technique gives the main character. All in a contemporary and confident way.

The upholstery is made all of high quality natural materials. Built in a traditional technique for highest comfort. A rigid and flexible core of braided elastic bands and generous Hairlok layers. Swept with soft and comfortable certified wool, ensuring best breathability possible. Carefully selected sustainable materials for highest durability.

HUMBLE an armchair suited for any lounge area. Hotels, restaurants, offices or at home.

HUMBLE is offered in different colors and textile/leather options, and also available as sofa.

Swedish handcraft made to customer order in 8 weeks.
