STAM SIDE / COFFEE TABLE

CONTEMPORARY COLLECTION

Design Sami Kallio 2022

STAM is an elegant and robust table family of many different versions.
A base of sand casted iron, gently floating on the floor by hidden plastic feet, continuing into a pillar of solid ash. A 30 mm solid ash top with a carefully designed edge profile.

The cast iron base is treated with a protective surface, making it suitable for any public and domestic interior.
Table top and pillars treated with hardwax oil or stain.

STAM family includes side tables, coffee tables and dining tables in many different shapes, sizes and colors.
