

PRESS RELEASE

Nuki to Showcase Aliro-Certified Keypad and Smart Access Solution at ISC West 2026

Las Vegas (Nevada), March 16, 2026

Today, Nuki Home Solutions is announcing its participation in [ISC West 2026](#), the leading international trade show for the security and smart access industry, taking place March 23-27, 2026, at the Venetian Expo in Las Vegas. Attendees are encouraged to meet the Nuki team in the [New Exhibitor Area at booth #35091C](#), where the company will present its latest smart access solutions and the soon-to-launch Nuki Keypad 2 NFC, all of which are designed to make homes smarter, more secure, and easier to manage.

At the booth, visitors will have the opportunity to experience Nuki's smart lock technology and Aliro-certified keypad to learn how its solutions integrate seamlessly into modern connected homes. Known for its innovative approach to keyless entry and smart home integration, Nuki continues to expand its presence in the North American market while delivering convenient, secure access solutions for homeowners and property managers.

Media and industry professionals attending ISC West are invited to schedule meetings with the Nuki team, including Chief Executive Officer Martin Pansy and US Country Manager, Courtney Schnitzer, or visit the booth for live product demonstrations and discussions about the company's latest developments in smart access technology.

About Nuki Home Solutions

In 2015, the successful crowdfunding campaign on the Kickstarter platform laid the foundation for Nuki's success story. Since then, the company – founded by brothers Martin Pansy (CEO) and Jürgen Pansy (Chief Innovation Officer) in Graz – has grown steadily: Today, Nuki is Europe's leading provider of smart, retrofit access solutions. The company currently employs 130 people from 18 different nationalities at its headquarters in Graz. Nuki holds dual ISO certifications – ISO 9001 and ISO 14001 – attesting to its high international standards in quality and environmental management systems. In

addition to its Europe-produced Smart Lock and a wide range of accessories and services, the Austrian company is committed to continuously developing smart access solutions for a completely keyless future.
