PLANTAGEN®

Aluminium:
Daily exposure to intense ultraviolet radiation from sunlight will deteriorate the metal finish over time.
Use a furniture cover of good quality to extend the life of your furniture.
During winter time, the best is to store in a dry and well-ventilated place.
Wash your furniture with a mix of mild soap and water, rinse off and dry thoroughly.
Apply a fine, clear automobile wax for maximum protection against harmful ultraviolet exposure and salty air.
Do not use corrosive chemicals when cleaning.
